Denali Training Fund Final Report

Funds for this project are provided by the USDOL and the Denali Commission and managed, in partnership, by the Alaska Department of Labor and Workforce Development.

Name of Organization: Tanana Chiefs Conference	
Name of Project: Construction Training & Work Experience	
Reporting Period: March 6, 2009 to March 31, 2010	
Contact Person: Rachel Perkins	
Contact Number: (907) 452-8251	Email Address: rperkins@tananachiefs.org
Award Year: 2009 - 2010	Award Number: 1072-H
Original Amount Awarded: \$70,000.00	Final Expenditures: \$44,600.94
Certification: I certify that the information in this report is current, correct and true and in accordance with the terms and conditions of the agreement.	
Signed by: <u>[Signature]</u> Dated: <u>5/19/10</u>	

1. A. In a few sentences, please describe the initial scope of your project. Our project is to train youth for the Dental Assistant program offered through UAF and Wildland Firefighting Training offered through DNR and provide outreach for those programs.

B. Did you modify the scope or the budget at any time during this project? If so, please explain. Yes, we modified our grant once to allow us to host a Wildland Firefighter training in March. The original training didn't work out, but we were able to facilitate a Wildland Firefighter Dispatch training at the end of March for a total of 12 participants.

2. A. How many people did your original proposal intend to train? 100

B. How many people did you ultimately train? Please attach a final list of participants, their community, certification and where they are employed.

63

C. If there is a variance between original and final, please explain. We trained less participants due to lack of staffing to carry out the goals of this grant.

3. Please tell us about lesson(s) learned during this project. Communication is a huge factor in planning for training. We weren't able to carry out our original training plan due to a miscommunication where the trainer was under the impression he was going to train students that were older than our 14 – 24 year old.

4. Please provide a minimum of one success story for this project. One of our participants who took the Wildland Firefighter Dispatch training took part in a four-day interview where she actually worked for the Tok Forestry office. We also have two students who are taking the Wildland Firefighter Academy training currently taking place. The Fire Management Officer (FMO) stated he was impressed with this bunch of students who were attentive, sharp and enthused about the class.

5. Please attach a few photos with descriptive captions.

Reviewed: 2007 Hours: 16

Course Description:

The course provides students with the skills to perform as an expanded dispatch recorder (EDRC). Topics include: the structure of the expanded dispatch organization, description of resource ordering and statusing process, and the importance of the EDRC having effective communication skills and working relationships. The final is a 4-hour, scenario-based exercise where students will complete resource order forms based on timed inputs and supplemental handouts. There is a Reference Guide at the end of Unit 3 that contains reference documents for students to use during the course and when on assignment. The course gives a very general overview of Resource Ordering and Statusing System (ROSS) - it does not teach students how to use ROSS.

Objectives:

- 1 Describe the purpose and structure of expanded dispatch.
- 1 Describe the role and responsibilities of the expanded dispatch recorder.
- 1 Demonstrate how to mobilize and demobilize incident resources using
- 1 Established dispatch ordering channels and resource order forms.
- 1 Describe how to communicate effectively and foster positive interpersonal working relationships.

Target Group:

Individuals who have no previous training or experience in the dispatch function and who will be called upon as needed to assist in the expanded dispatch organization.

Minimum Instructor Qualifications:

Lead instructor must be a qualified expanded dispatch support dispatcher (EDSD).

Unit instructors must be qualified expanded dispatch recorders (EDRC).

Also see Instructor Certification at the beginning of the Field Managers Course Guide.

Prerequisites:

None
